outreach Opportunity

Join us as we reach into the lives of students at Cross Creek with an **after school craft class**. We have the opportunity to pray and teach a Bible story because this is an after-school voluntary involvement scenario. BUT in order to do this, we **MUST** have volunteers. If you aren't "crafty" don't worry - remember these are designed for elementary students. We will get together to work on crafts before the start of the classes, so you will know exactly what to do to help your group. We are asking for a four week commitment starting the end of October. If you are interesting in volunteering please sign up via your **communication card**.

thank You

We would like to thank all the people who volunteered at the Fall Festival. We couldn't have done it without you!
