shared Experiences

Ryan Wright
Student Director

There are some powerful stories and testimonies of adults in our church who have gone through trying, interesting, or exciting events related to their faith. I know especially some of our older men have some incredibly unique and inspiring stories. If you would be open to sharing your testimony with me or if you know of someone too humble to share an incredible story, then let me know. My goal is to continue to build bridges between our students and our adults.

Community Groups are small gatherings that come together to build relationships, grow in Christ, and serve the community. Our Community Group Winter term runs every other week from January 15th - May 5th. Up to 20 people can sign up for a group. To sign up for a group, indicate interest on your Communication Card and drop it in the offering plate. You will be contacted with current Community Group offerings.
