needs Met

Do you know of a need in our community? Such as a single mother who doesn't have time to mow her lawn or an elderly person who needs their driveway plowed and sidewalk shoveled.

The Needs Met initiative attempts to connect needs with resources and abilities. If you know of a need, please fill out your communication card.

I am hoping to build a leadership team for Kid's Hope consisting of four positions - Communication Coordinator, Event Coordinator, Crafts Coordinator, and Prayer Coordinator. If you have always wanted to help with Kid's Hope but your work schedule does not allow, this may be for you!

If you would like more information please mark your communication card .

shared Experiences

There are some powerful stories and testimonies of adults in our church who have gone through trying, interesting, or exciting events related to their faith. I know especially some of our older men have some incredibly unique and inspiring stories. If you would be open to sharing your testimony with me or if you know of someone too humble to share an incredible story, then let me know. My goal is to continue to build bridges between our students and our adults.

Ryan Wright, Student Director
